

Insurance Lenguaventura

Lenguaventura has an **indemnity** and **accident insurance** included in the **Summer Camp program** for the following amounts:

Indemnity Insurance

Indemnity Insurance	Amount in EUR.
Maximum compensation per claim	150.000
Limit by victim	150.000

Accident Insurance

Accident insurance	Amount in EUR.
Death	6.000
Absolute and permanent disability	6.000
Limited health expenses	3.000

This insurance starts to be valid in the lobby of the airport at the arrival day and ends at the passport control at the departure day.

The accident insurance is only for covering urgencies and does not include neither long term stays in hospitals nor repatriation to the home country.

With the national health card Spanish citizens and residents in Spain are covered in public hospitals. The European health card for EU citizens inclusive the countries Liechtenstein, Norway, Switzerland and Iceland, covers students in public health care centers in Spain.

All other participants coming from either non EU countries or from countries outside Europe should bring their private insurance card that covers health services in Spain.

If none of the above mentioned cases can be applied to, it is compulsory to contract a travel insurance. This insurance could be contracted directly with the purchase of the plane ticket or on-line with a specialized insurance company. Lenguaventura can recommend the company IATI insurance which is specialized in travel insurances for young people going abroad to Summer Camps or for study purposes. For further information please consult their website <https://www.iatitravelinsurance.co.uk>.

For any additional questions about insurance please contact **Lenguaventura** directly.
